

EOLAD VISIBLE

Item Number EOLAD-1V

EOLAD (Laser Aiming Device with EOTech HOLOGraphic Weapon Sight)

Your Price \$1421.00
(LE/MIL-Please call for discount pricing)

Laser Devices and L-3 EOTech have strategically aligned to produce the EOLAD laser with HOLOGraphic Weapon Sight (HWS).

The EOLAD combines the state-of-the-art technology of a Laser Devices' laser with the speed and precision of the EOTech 552 optic. This single, compact device provides lightening fast target acquisition with pin-point accuracy and eliminates added weight to the front of the firearm.

Designed to military standards to withstand temperature, shock and vibration, the EOLAD will handle the most extreme law enforcement and military missions with ease.

Choose from six different models. Infrared available to law enforcement and military

Features

- Waterproof to 10 meters
- Manufactured in the U.S.A.
- Supplied with:
 - EOTech HOLOGraphic Weapon Sight
 - 10 inch remote cable pressure pad switch
 - Pattern Generating Optics
 - Batteries
 - Nylon Pouch
- Fully adjustable windage and elevation
- Activation indicator light
- Low power mode (Laser Class I), for safe force-on-force training
- 6 Models to Choose from:
 - EOLAD-2H: Infrared aiming laser (835nm / 35mW) and focusable infrared illuminator (835nm / 35mW)
 - EOLAD-2 SOCOM: Infrared aiming laser (835nm / 25mW) and focusable infrared illuminator (835nm / 100mW)
 - EOLAD 2L: Infrared aiming laser (835nm / 1mW) and focusable infrared illuminator (835nm / 35mW)
 - EOLAD-2VI: Visible aiming laser (635nm / 5mW) and infrared aiming laser (835nm / 1mW)
 - EOLAD-1V: Visible aiming laser (635nm / 5mW)
 - EOLAD-1I: Infrared aiming laser (8335nm / 1mW)
- Momentary remote cable pressure pad switch and integrated momentary activation switch
 - Single tap enables momentary activation
 - Double tap instantly activates the laser in a continuous ON mode. Built-in safety mechanism returns the unit to momentary activation after 5 minutes.

Specifications

Mechanical

Environment

Waterproof to 10 meters

Height

2.375 in / 6 cm

Length

5.5 in / 14 cm

Limited Warranty

1 year

Material

Anodized aircraft aluminum 6061T-6

Weight

16.8 oz / 476.27 grams (with batteries)

Width

2.375 in / 6 cm

Electrical

Battery

Two 1.5-volt AA (contained in HWS)

Battery Life

5 hours continuous

Beam Diameter

Visible/IR pointer: 8 mm @ 25 meters

Beam Divergence

IR illuminator: 0-6 degrees

Laser Type

Visible pointer: Laser Class IIIa

IR pointer/IR illuminator: Laser Class IIIB

Power Output

Hi-Power Visible pointer: <5mW

Hi-Power IR pointer/IR illuminator: <25mW-100mW

Lo-Power Visible/IR pointer/IR illuminator: <1mW

Range/Visibility

Visible pointer: 450 meters (low light) / 30 meters daytime

IR pointer/illuminator: 2000 meters

Wavelength

Visible pointer: 635nm

IR pointer/IR illuminator: 835nm
